What is human trafficking?

Human trafficking involves the recruitment, harbouring or transportation of people into a situation of exploitation. This typically involves the use of violence, deception or coercion.

People trafficking can involve many different forms of exploitation. Victims may be forced into prostitution, labour, begging, criminality, domestic servitude, marriage, and organ removal.

According to the UN approximately 50 million people were living as modern slaves last year.

South Asia, with India at its centre, is one of the fastest growing regions for human trafficking in the world. An estimated 135,000 children are believed to be trafficked in India alone every year.

With the help of YST, our Indian grassroots partners Odanadi have...

- Rescued over 14,000 women and children.
- Carried out over 500 brothel rescues to underground brothels run by trafficking gangs and educated tens of thousands of children, men and women about sexual exploitation.
- Re-united over 1,500 trafficked children with their families.
- Brought hundreds of traffickers to justice

The funds raised through Yoga Stops Traffick help cover the running costs of two safe houses and provide therapeutic support for survivors of human trafficking in Mysore, India.

COVID-19 has disproportionately affected the world's most vulnerable communities, including survivors of human trafficking and sexual violence in India.

Since the start of the pandemic the increased levels of domestic violence reported around the world is a worrying indicator for the living conditions of many trafficking victims. We are committed to bringing an end to human trafficking and supporting young survivors to rebuild their lives during these uncertain times. Your support is needed more than ever!

Every body on every mat counts in the fight against human trafficking! Your support will make the world of difference to the young lives in India that YST works hard to help.

Please get in touch by emailing info@adventureashram.org today-we're here to help and can't wait to hear from you!
